Message from the Indonesia-EP Friendship Group:

We wish to express our deepest and sincere sympathy to the families of the victims of this morning's earthquake in Pidie Regency, and our solidarity with the people of Aceh and the Indonesian people in general for this latest tragedy. It has certainly revived the painful memories and the suffering that the 2004 catastrophe caused in this region. We stand ready to mobilise European support if that will be deemed necessary.

Ana Gomes MEP

Chair of the Indonesia-EP Friendship Group
