Amendment 1

Ana Gomes

Motion for a resolution

Recital A

Motion for a resolution

A. whereas the increasingly dangerous and challenging security environment within and outside the Union, characterised by terrorist attacks and mass murder which *no* Member *State can cope with alone*, calls for the strengthening of the EU's security and defence policy to make it a more effective policy instrument and a real guarantee of the safety of EU citizens and the promotion of European interests and values;

Amendment

A. whereas the increasingly dangerous and challenging security environment within and outside the Union, characterised by terrorist attacks and mass murder which *affects all* Member *States and demands a coordinated response*, calls for the strengthening of the EU's security and defence policy to make it a more effective policy instrument and a real guarantee of the safety of EU citizens and the promotion of European interests and values;

Amendment 2

Ana Gomes

Motion for a resolution

Paragraph 3

Motion for a resolution

3. Recalls that the Union's space policy promotes scientific and technical progress, industrial competitiveness and the implementation of all EU policies, including security and defence policy; invites the Council, the VP/HR and the Commission to ensure that European space programmes develop space-based capabilities and services for European security and defence;

Amendment

3. Recalls that the Union's space policy promotes scientific and technical progress, industrial competitiveness and the implementation of all EU policies, including security and defence policy; invites the Council, the VP/HR and the Commission to ensure that European space programmes develop space-based capabilities and services for European security and defence, *namely through the allocation of adequate funds for research*;
