Brussels, 14 December 2017

This Friday, 15th December, I will be hosting a public meeting with representatives from opposition leaders and representatives from the civil society of Ethiopia, aiming at discussing a platform of unity to bring about a democratic future for their country, now undergoing a dramatic aggravation of internal conflict and fast deterioration of general security.

Among the participants, I have confirmation of the presence of Dr. Berhanu Nega and Mr Solomon Assefa Negash. The meeting will take place in the **European Parliament, in Brussels between 10:30 and 12:30, at room A5G305.**

The Embassy of Ethiopia in Belgium, the Permanent Mission of the African Union, the UNHCR (Office of the United Nations High Commissioner for Refugees), the International Committee of the Red Cross (ICRC), the Permanent Representations of the EU Members States and the Mission of the United States to the EU have been also invited.

I would be grateful if you - or a representative on your behalf - could join us at this event, which would greatly benefit from your institutional input and insight, if you are willing in any way to share it with participants.

Best regards,

Ana Gomes
Member of the European Parliament
