Ms Ana Maria Gomes MEP
European Parliament
Brussels

Dear Colleagues,

I acknowledge receipt of your letter of 25 January 2018, providing additional information on allegations regarding a former Head of the EU Delegation to Cape Verde.

I understand that this information was also shared with OLAF.

Please be assured once again of my full determination to enforce a zero tolerance policy. For this reason, from the outset I requested the EEAS to liaise with OLAF and offer the necessary cooperation in order to look thoroughly into this case.

Yours sincerely,

Federica Mogherini
